From the old or new world, to select producers who respect the legacy of their land and their history, express typicity and craft balanced wines. All in the aim of finding wines that marry best with food, so that together, the dining experience is enhanced and each element is best appreciated. Glenfiddich 50 year old Single Malt *by bottle only* **25,000**

Only one of a handful of bottles currently in the U.S., the rare release 50 year old is a testament to the greatness of this legendary distillery. The bottles were filled from nine casks laid down in 1930 by the founder of Glenfiddich, William Grant, for each one of his nine children. As a result of fifty years in plain oak casks, this spirit displays a stunning golden color. The nose exhibits delicate floral notes intertwined with green tobacco leaf and a hint of smoke. The palate is initially sweet with notes of zesty orange marmalade and vanilla toffee. These flavors are followed by a cascade of dried fruits, aromatic herbs and flowers leading into an exceptionally long finish.

Frapin,"Cuvée François Rabelais," Grande Champagne *by bottle only* **10,000**

Undoubtedly Cognac Frapin's masterpiece, Cuvée François Rabelais is a tribute to a Frapin family ancestor who was known for his appetite for the finer things in life. The fruit is sourced from prime estate holdings in the Grande Champagne, some of which date back prior to 1870, giving the house full control of the production process. The complex array of aromas suggests orange peel, dried apricot and tobacco. On the palate, it delivers flavors of butterscotch and dried fruit giving way to a luxuriously long finish. Only a handful of bottles available in the U.S.
