

Unlock the secrets of Thai culture where heads of state have studied.

Enrich your joy and understanding of the Kingdom of Thailand during your stay at Mandarin Oriental, Bangkok.

There's nowhere in the world like Thailand. As the only country in Southeast Asia never to be colonized, its deep cultural roots are fascinating, yet often mysterious to many visitors. That's why we created our comprehensive cultural programme, enlisting renowned professors and scholars from leading universities. For more than fifteen years, their afternoon lectures, daily from Monday to Friday, have unlocked the mysteries of the Kingdom for thousands of our guests.

Guests have included many diplomats, journalists and travel writers, who take pleasure in understanding more about Thai culture.
