Limited-edition Premium Luggage

RIMOWA Thailand recently introduced a limited-edition premium luggage collection, the RIMOWA X MANDARIN ORIENTAL, BANGKOK'S 140th ANNIVERSARY, in celebration of the hotel's 140th birthday.

The collection features silver aluminium exteriors with interiors swathed in smart camouflage patterns in the highest-quality Thai silk. The pieces further stand out with a specially created tan leather luggage tag stamped both with RIMOWA and Mandarin Oriental, Bangkok. They include a sturdy luggage lock taken from the TOPAS edition, and they are made even more special by having the Mandarin Oriental, Bangkok logo on the outer shell.

All pieces are made by hand, and each undergoes a series of tests to ensure they are of the highest possible quality. The collection is available in two sizes: Cabin Multiwheel® Size 53 (35L volume) and Multiwheel® Size 73 (85L volume). Only 140 sets are available.

Reflect your outstanding traveller's lifestyle with the RIMOWA X MANDARIN ORIENTAL, BANGKOK 140th ANNIVERSARY limited-edition collection, which is available only in Thailand.
