

Mandarin Oriental, Bangkok has reopened the River Wing following the largest renovation in our 143-year history. Inspired by our riverside location and history and reflecting the spirit of Bangkok, this stunning renovation has further enhanced our accommodations and facilities, while maintaining our classic, Thai-influenced elegance and unique resort style.

Whilst staying with us guests can now enjoy a choice of 11 [outstanding restaurants](#), along with [The Oriental Spa](#), our [Fitness & Wellness Centre](#) (where we also offer complimentary classes daily), our Spa Studio and our two new swimming pools featuring additional cabanas.

Every effort is being made to minimise disruption to guests while we put the finishing touches to our River Wing rooms and suites.

We are pleased to extend the following additional activities for our in-house guests to enjoy:

- Explore Bangkok by Boat. Enjoy a 90-minute complimentary boat tour on the Chao Phraya River, discovering the *khlongs* (canals) of Bangkok as you weave past small traditional houses and witness vibrant river life, all whilst enjoying light refreshments and cold towels. The boat leaves daily at 11am and advance notice is required.
- Thai cooking classes at The Oriental Thai Cooking School are available for the special price of THB 2,800, including a visit to the local market.

The comfort of our guests is of great importance to us, and we would like to reassure you that as we finalise our River Wing rooms and suites the work will take place solely during working hours.
