

Let the fairy tale begin...

We will provide you the services of a wedding coordinator to oversee all the details-before, during, and after the event itself. You can even hold your ceremony within the hotel if you wish, as we have a license to conduct services in any of our banqueting suites.

Before

Organising your wedding can be inordinately stressful. So our wedding coordinator is here to iron out any problems.

The Oriental Spa is a wonderful way to shirk off any stress and totally indulge yourself before your big day. We will provide complimentary rooms with refreshments for the bride and groom to prepare themselves. Here, hairdressers and make up artists can also help the bride to get ready if required. And if there's anything else we can do to help the day get off to a perfect start, further assistance or room service is just a phone call away.

During

To make your special day seamless, we are delighted to assist you with any of these services.

Photographer

This is one of the most important choices you have to make. Please allow us to help you in that decision, as we have established relationships with some of the region's top photographers. Whether you would like a photographer of international repute, or one who specializes in reportage or natural style photography, we can arrange it for you.

Menus

You can count on our culinary team to come up with a menu that will delight the palate, making your special day even more memorable.

Wines

Our sommelier will be available to offer advice and recommendations on the perfect drinks to complement your chosen menu.

Wedding cake

Our highly trained pastry chef can create a wedding cake to your exact specifications.

Flowers and ice carvings

Our designers will design magnificent floral displays and ice carvings to your wishes. We'll also present beautiful garlands to the bride and groom.

Linen

We can co-ordinate with any colour scheme. We have a large selection of linen and chair covers, and can source almost any additional colour and style of material you require. If you would like wedding favours, we can organise this too, with a choice of several different shapes, sizes and colours to co-ordinate with your scheme.

Menu and Place Cards

Our calligrapher can create beautiful artwork for your stationary, and we can help with the printing of your menu and place cards.

Hostesses

Our hostesses will greet your guests in the lobby and guide them to the function room.
