
BLANC

Our designer living room Blanc is the heart of the hotel, a quiet and elegant place to meet anytime of the day for drinks or dining. Mediterranean light floods through a double height glass roof and the huge suspended metallic mesh is one of the hotel's most spectacular features.

Blanc offers culinary service throughout the day, designed by chef Carme Rusalleda whose philosophy focuses on natural and first-class products cooked with respect and inspiration.

For breakfast our guests will enjoy an extensive array of bakery goods, pastries, fruits, juices, dairy products, cheese, sausages, cold and hot plates, both Mediterranean and Oriental-inspired.

For lunch and dinner we offer restaurant service with a fresh and seasonal menu, premium products, dishes reflecting the city's rich culinary culture, market cuisine dishes, Asian-inspired plates and of course an original tapas menu. Our dessert trolley service offers fantastic options.

During the afternoon, Blanc is an ideal spot for a date or get-together, to enjoy an exclusive tea selection and very special pastry creations.

On Sunday you won't want to miss our famous and delicious brunch featuring an enticing variety of special dishes.
