
BLANC

Our **Blanc** designer lounge is at the heart of our hotel, a space of utmost elegance where getting together to eat or have a drink is a pleasure, any time of day. Mediterranean light floods the room through a two-level glass roof. Richly carved panels, inspired by oriental screens, serve as an intense white backdrop projecting a play of light across the atrium. And at night, the space creates a magical and intimate atmosphere.

Blanc offers culinary service throughout the day, designed by chef **Carme Ruscalle** whose philosophy focuses on natural and first-class products cooked with respect and inspiration.

For breakfast our guests will enjoy elegant tables boasting an extensive array of bakery goods, pastries, fruits, juices, dairy products, cheese, sausages, cold and hot plates, both Mediterranean and Oriental-inspired.

For lunch and dinner we offer restaurant service with a fresh and seasonal menu, premium products, dishes reflecting the city's rich culinary culture, market cuisine dishes, Asian-inspired plates and of course an original tapas menu. Our dessert trolley service offers fantastic options.

For dinner, Blanc is an ideal spot for a date or get-together, to enjoy an exclusive tea selection and very special pastry creations.

On Sunday you won't want to miss our famous and delicious brunch featuring an enticing variety of special dishes.
