

Brunch

OPEN FROM 12.30PM TO 4PM

Brunch is the most versatile meal of the week; either with friends or family, it is always a great way to enjoy gourmet food on a relaxing Sunday.

How about starting the day with some pancakes and creps, or a mouthwatering eggs Benedict with fresh salmon? Perhaps you fancy oysters with cava or champagne? Or maybe tempt yourself with a tasteful homemade rice prepared by our Chef!

Sit down, relax and sail through our menu. We take care of the rest.
