"Thank you for everything. The wedding was perfect! Everything was beautiful. You did a great job of organizing everything, and I could not have pulled it off without you! Our guests were so impressed with the food, the service of the wait staff and the hotel."

Karen Kepple, Bride

"On behalf of the Stewart/Kruzshak families, I just wanted to take this time to personally thank you for the wonderful job you did arranging the wedding and reception for Allyson and Billy. Everything was so well orchestrated and beyond compare. You truly captured the day exactly like we could only dream about. We will always cherish the memories of that joyous occasion that you were solely responsible for organizing. Our memories of that day will live on forever."
