SPECIALISED FACIALS

DIAMOND LIFE INFUSION RITUAL 1 hour 30 minutes 990 TL

The Art of Youth. Unprecedented "Youth Elixir" that provides unparalleled skin rejuvenating effects focused on the science of Skin Age Biomarkers and specific massage techniques. This intensive treatment ensures brighter, firmer, noticeably younger - looking skin. A global skin rejuvenation that restores the youthful definition of the facial contours, improves skin texture and diminishes fine lines and wrinkles in just one session.

FACELIFT OPTIMIZER 1 hour 820 TL

Surgical alternative treatment that infuses the skin with all of the benefits of a microinjection without the neurotoxins. Visibly lifts, fills and relaxes the skin after just one treatment due to the innovative highly concentrated ingredients.

DELUXE OXYGENATING FACIAL 1 hour 20 minutes 820 TL

Transform your skin with this unique results driven facial. A detailed consultation will determine the tailor made treatment to your skin's needs, incorporating latest oxygen pressure jet technology and diamond-head oxygen infused microdermabrasion. The facial is complete with a deep relaxing scalp, neck and shoulder massage.

OXYGEN REGENERATING FACIAL

1 hour 735 TL

This highly results driven facial uses the healing properties of pure oxygen combined with advanced pulse pressure jet technology to effectively penetrate the deeper layers of the skin. The facial begins with a deep cleanse and exfoliation to renew and soften the skin before the oxygen is applied to areas of concern, focusing around the eyes and lips contour. This is a natural alternative to Botox, reducing visibility of fine lines and leaving the skin thoroughly hydrated and plumped with a flawless complexion.

SUN-CARE

THE CITRUS ESSENCE

1 hour 735 TL

Vitamin C prevents premature ageing and repairs damage caused by sun exposure. Drench your skin with the antioxidant power of vitamin C. This nutrient-rich facial treatment engages the senses, stimulates the production of collagen, reduces inflammation, revitalises, firms the skin, and intensely hydrates.

CITRUS DRENCH

1 hour 735 TL

Indulge in highly concentrated vitamin C emulsions that will protect the skin from dryness and premature aging, while repairing damage caused by sun exposure. This nutrient-rich body treatment revitalises, firms the body, and energises.

TREATMENT ADDITIONS

COMPLEXION ANALYSIS

30 minutes 175 TL

A diagnostic tool to determine your skin's current health through non-invasive photographic imagery. This analysis machine can detect problems that have yet to emerge on the surface of your complexion providing qualitative reports to take the guesswork out of determining the best treatments for your skin type. A progression report is provided to determine the progress of skin care treatments undertaken to measure improvement and results over time.
