Non-routine business

The following items of non-routine business are being dealt with as ordinary resolutions at the Annual General Meeting:

Resolution 9

This resolution relates to the renewal of the authority for the allotment of shares. If Resolution 9 is passed, the new authority would permit the allotment of relevant securities with an aggregate nominal value of up to US\$16.5 million representing 330,482,914 ordinary shares of US\$5 each and representing approximately 33% of the total ordinary share capital of the Company in issue as at 24th March 2010, the latest practicable date prior to the publication of this document. Included within the authority is the ability to issue ordinary shares for cash consideration (other than by way of a Rights Issue or pursuant to the Company's Senior Executive Share Incentive Schemes) limited to a total of some 49,572,437 ordinary shares, representing approximately 5% of the total ordinary share capital of the Company in issue as at 24th March 2010. The proposed authority will expire at the conclusion of the next Annual General Meeting or on 4th August 2011, whichever is the earlier, and it is intended to seek its renewal at that and future Annual General Meetings.

Save for the allotment of ordinary shares under the Company's Senior Executive Share Incentive Schemes the Directors have no present intention to exercise this authority. No pre-emptive rights exist under Bermuda law in relation to issues of new shares by the Company.

Resolution 10

This resolution relates to the renewal of a general mandate to the Directors to repurchase shares of the Company representing less than 15% of the issued share capital of the Company at the date of the resolution (the 'Repurchase Mandate'). The price paid for shares repurchased by the Company, other than (i) on exercise of Put Warrants issued on a pro-rata basis to shareholders or (ii) with the prior approval of the Financial Services Authority (the 'FSA') in the United Kingdom, will be not less than US\$5 and not more than 5% above the average of the market values of the shares for the five trading days before any purchase is made. The resolution also permits the repurchase of shares by the Company pursuant to the terms of Put Warrants or similar instruments conferring rights to sell shares back to the Company at a specified price. The terms of any such Put Warrants would be determined by the Directors at the time of issue but the price paid for shares repurchased by the Company on exercise of Put Warrants which are issued on a pro-rata basis to shareholders could not exceed 15% more than the average of the market values of the shares for a period of not more than 30 nor less than the five trading days just prior to announcement of their issue.

As at 24th March 2010, the latest practicable date prior to the publication of this document, a total of 36,650,000 share options issued pursuant to the Company's Senior Executive Share Incentive Schemes were outstanding. These share options represented 3.71% of the issued share capital (excluding shares held by the Scheme Trustee) at that date and 4.37% of the issued share capital (excluding shares held by the Scheme Trustee) if the full authority to repurchase shares (existing and being sought) was used. There are no outstanding warrants to subscribe for shares.

In accordance with the Companies Act 1981 of Bermuda, as the holding of treasury shares is not provided for in the Company's constitution, any shares which are repurchased by the Company shall be treated as cancelled and the amount of the Company's issued capital shall be diminished by the nominal value of those shares accordingly.

The authority conferred on the Directors by the Repurchase Mandate will continue in force until the conclusion of the next Annual General Meeting of the Company or 4th August 2011, whichever is the earlier, unless previously revoked, varied or renewed by ordinary resolution of the shareholders in general meeting.

The Directors believe that the Repurchase Mandate is in the best interests of the Company and its shareholders in order to facilitate repurchases by the Company or its subsidiaries of the Company's own securities. Such purchases are subject to and will be made in accordance with the listing rules of the FSA. Depending on market conditions and funding arrangements at the time, such purchases may lead to an enhancement of the net assets and/or earnings per share and liquidity of the securities of the Company and will only be made when the Directors believe that such purchases will benefit the Company and/or its shareholders. Put Warrants would be issued only if the Directors considered it in the best interests of the Company and/or shareholders to do so.

In the opinion of the Board the proposals set out in Resolution 9 and Resolution 10 are in the best interests of shareholders as a whole and the Board recommends that shareholders vote in favour of the resolutions.
