THE SPA AT MANDARIN ORIENTAL, BOSTON DEBUTS ‘GENTLEMAN ESSENTIALS’

Hong Kong, 17 December 2012 – Beginning 1 January, the award-winning [Spa at Mandarin Oriental, Boston](#) will introduce ‘Gentleman Essentials,’ a collection of treatments and programs specially designed to address the needs of men, using power-packed products from The Refinery by Aromatherapy Associates.

“We are thrilled to expand our spa program to include this selection of highly-effective results-oriented treatments specifically for men,” said Sharon Holtz, Spa Director. “Each program has been carefully crafted to deliver a relaxing spa experience and address concerns specific to a man’s well-being.”

The ‘Gentleman Essentials’ programs available at [Mandarin Oriental, Boston](#) include:

Power Lift Facial (110 mins, USD 355 weekdays / USD 375 weekends)

As the collection’s anchor, the results-driven Power Lift Facial utilizes galvanic and micro currents to stimulate skin at its deepest level. Facial muscles are lifted and toned while skin is boosted and hydrated, smoothing out fine lines and wrinkles. A tension-relieving massage around the neck and shoulders follows to further aid relaxation.

The Refinery Facial (80 mins, USD 200 weekdays / USD 220 weekends)

Specially created to brighten the complexion, the deep-cleansing Refinery Facial will leave skin looking clean and feeling refreshed.

The Boost (110 mins, USD 270 weekdays / USD 295 weekends)

Comprised of a rejuvenating facial treatment and traditional Oriental Foot Therapy, this program has been designed to alleviate stress and realign the senses, leaving guests relaxed and revitalized.
