THE SPA AT MANDARIN ORIENTAL, BOSTON ANNOUNCES THE U.S. DEBUT OF LINDA MEREDITH SKINCARE

Hong Kong, 23 October 2015 – The Five-Star [Spa at Mandarin Oriental, Boston](#) announces the U.S. debut of [Linda Meredith skincare](#). Linda Meredith, known as the ‘Queen of Facials,’ has over 40 years of beauty industry experience treating a star-studded list of celebrity clients from around the world.

Beginning this October, The Spa will offer two Linda Meredith facial treatments, The *Couture Facial* and the *Couture Facial with O2*.

The *Couture Facial* is designed to address specific skin requirements. This one-hour treatment begins with the ultimate deep cleanse using serums that have an antibacterial effect to reduce breakouts, firm the skin and soften fine lines. A detailed consultation identifies problem areas, followed by a steam and extraction process to remove impurities. A micro peel serum is then applied to clean above and below the skin’s surface. A relaxing face, neck and shoulder massage completes the treatment, releasing natural nutrients that hydrate the skin. The *Couture Facial* will be available for USD 200 on weekdays and USD 220 on weekends.

For ultimate results, the *Couture Facial with O2* includes an additional 20-minute treatment that uses the natural healing power of oxygen. A serum is applied to replenish damaged skin, smoothing and plumping skin cells for immediate red carpet radiance. This 1 hour 20 minute facial will be available for USD 270 on weekdays and USD 285 on weekends.

Focusing on an individual’s skincare needs, Linda Meredith’s product range is designed for layering and works in harmony to feed the skin with natural, results-driven ingredients that hydrate at the deepest levels, in-turn slowing the ageing process. Results reveal a glowing, younger-looking complexion.

“The Spa at Mandarin Oriental, Boston is excited to introduce Linda Meredith to the U.S. and the Boston beauty, health and wellness scene,” says Virginia Lara, Director of Spa at Mandarin Oriental, Boston. “Her treatments use natural raw materials to create precious beauty potions. They are customized based on an individual’s skin needs instead of categorizing them as a ‘skin type.’ Her beauty vision, passion and drive for excellence complement The Spa at Mandarin Oriental, Boston’s holistic approach to wellness, revitalizing mind, body, and spirit.”

“My aim is to educate both men and women on how our bodies, in particular our skin, have been affected by the introduction of hormones, chemicals and toxins that surround our everyday lives, especially in our diets,” says Meredith. “After realizing there was a need to restore skins balance due to these dramatic changes, I decided to develop an alternative concept in skincare that dealt with this new generation of skin problems. This is what makes my products effective and unique.”

Future reservations can be made by contacting The Spa at +1 (617) 535 8820 or emailing mobos-spa@mohg.com.

Linda Meredith has expanded internationally with outlets located at both [Mandarin Oriental, Barcelona](#) and [Mandarin Oriental, Hyde Park London](#), which opened in April 2015.
