HOTEL OVERVIEW

Situated on the waterfront of Victoria Harbour and opposite the Royal Hong Kong Yacht Club and Noonday Gun, The Excelsior is conveniently located in the heart of the entertainment, shopping and commercial district of the Hong Kong Island, making it the hotel of choice of business and leisure travellers.

The 34-storey hotel officially opened for business on 20 February 1973 as Hong Kong's largest hotel. It was developed on the original "godown" of Jardine Matheson directly behind the famous Noonday Gun. This historical site was the first plot of land in Hong Kong to be sold by public auction in 1841 when Hong Kong officially became a British Colony. Today, it is still registered as Lot. No 1.

The largest hotel on the Hong Kong Island, The Excelsior features 869 guestrooms and suites with complimentary WiFi, an in-room "handy" smartphone with unlimited Internet access, local calls and international calls to selected countries and pre-installed popular Apps, a fully equipped business centre and an extensive portfolio of six award-winning restaurants and bars offering international cuisines and over 15,000 sq. ft banquet and conference space.

Guestrooms and suites are designed to meet the needs of business and leisure travellers alike. The spacious Executive Lounge is available for guests staying on the Executive floors, offering express check-in and check-out service, complimentary breakfast, afternoon tea, snacks, cocktail and more. The hotel also features a Fitness Centre with state-of-the-art equipment, steam and sauna rooms and dedicated area for facial and body treatments.

The Excelsior, Hong Kong is wholly owned and managed by Mandarin Oriental Hotel Group.
