BANQUET AND CONFERENCE FACILITIES

The Excelsior has several state-of-the-art banquet and conference rooms that occupy a total area of more than 15,000 square feet.

The two grand function rooms, the Harbour View Room and the Marina Room feature panoramic views of the Victoria Harbour and offer the latest in high-tech equipment. Each can accommodate up to 450 people for meetings, large conferences and celebrations such as weddings. They can also be partitioned off to suit smaller events.

The Gloucester Room, located on the third floor, is adorned with warm teak and natural silk panels in muted colours, creating a feeling of grandeur and classical elegance.

The smaller and more intimate Kellett Room is the perfect venue for small gatherings such as seminars, lunches, dinners and private parties.

Each room is fully air-conditioned and equipped with sound-proof partitions, individual controlled audio systems, Internet access and Wi-Fi and state-of-the-art visual equipment.

With service a top priority, the experienced team meticulously checks every detail of every function arrangement – whatever the requirements.

Mindful Meetings at Mandarin Oriental provides a new, progressive approach to meetings that helps to drive better results, incorporating wellness elements into every meeting, ensuring that your participants feel inspired, engaged and ready to focus, so that you can achieve your objectives. For more information, please call the Catering and Conferences Department on (852) 2837 6952.
