A living example of Swiss hotel tradition at its very best, Mandarin Oriental, Geneva has a superb location on the River Rhône, located within the heart of Geneva's shopping, historic and business districts. Unparalleled service and luxury make it the ideal choice for the discerning leisure and business traveler alike.

The hotel features 190 spacious rooms and suites, with the suites on the seventh floor all enjoying private terraces with supreme views of the River Rhône, Old Town and surrounding snow-capped mountains. Following a complete renovation in 2013, the hotel's accommodation is decorated in warm earth-tones of chocolate, beige, brown and plum, with modern art accents and state-of-the-art technology. Boasting the largest bathrooms in the city, each guestroom features separate bathtub and large walk-in rain-shower.

The recent renovation introduced a selection of new Mandarin Rooms and Junior Suites on the hotel's sixth floor including the 210 sqm Royal Mandarin Suite with its own private elevator. These spacious rooms blend contemporary design with effortless elegance and are decorated in a sophisticated palette of fuchsia and silver or in delicate tones of gold and burgundy, with Italian marble bathrooms.
