Ideally located in the heart of the city, Mandarin Oriental, Geneva is the place to meet for dignitaries and corporate clients for both high-powered meetings and special occasions. Outstanding banqueting facilities are complimented by smaller private rooms as well as a semi-private dining room located between the hotel's two innovative restaurants on the ground floor.

Offering exquisite and innovative cuisine as well as Mandarin Oriental's gracious service, the hotel is the ideal venue for corporate meetings, incentive programs and stylish social gatherings.

Conference and Meeting Rooms

Six soundproofed private rooms with capacities of up to 45 persons are located on the first floor. Each of these six rooms has its own distinctive look but shares a common colour scheme in tones of cognac and beige. Five enjoy natural daylight and views over the Rhône River.

A number of rooms are set up boardroom style, equipped with their own coffee bar and all feature built-in screens and LCD projectors and further state-of-the-art technological equipment is available on request.

In addition to the six private rooms, Mandarin Oriental, Geneva has two large conference halls, namely the Rhône Rooms and The Saint-Gervais. Situated on the ground floor, these spacious function rooms are both flooded with natural daylight and enjoy wonderful views of the flowing Rhône River. The Rhône Rooms can be combined to make one large room or can be divided into three sections to accommodate groups ranging in size from 30 to 180.
