MANDARIN ORIENTAL HOTELS IN THE U.S. HELP MAKE STRIDES AGAINST BREAST CANCER WITH CHARITABLE OFFERINGS

Hong Kong, 21 September 2015 – From New York to Las Vegas, [Mandarin Oriental](#) hotels in the U.S. are delighted to introduce a selection of offers in support of breast cancer awareness this October.

The Spas at Mandarin Oriental in New York, Boston and Washington DC will be spotlighting the *Inner Strength* treatment, with proceeds benefiting breast cancer research and prevention. Inspired by [Aromatherapy Associates'](#) *Inner Strength* oil, the treatment was created by founder Geraldine Howard to help cope during her own battle with cancer. Using a combination of clary sage, frankincense and cardamom, the treatment features a heated compress and foot massage.

[The Spa at Mandarin Oriental, New York](#) will donate 10% of the proceeds from the *Inner Strength* treatment to benefit the Breast Treatment Task Force, an organization that helps patients without health insurance receive medical care. The treatment is available at USD 325 on weekdays and USD 345 on weekends. [The Spa at Mandarin Oriental, Washington DC](#) will donate 10% of each 80-minute *Aromastone Massage* purchase to the National Breast Cancer Coalition Fund. This massage incorporates a unique blend of Aromatherapy Associates' *Inner Strength* treatment oil to help guests feel grounded and to awaken the senses. The massage is priced at USD 280. [The Spa at Mandarin, Oriental, Boston](#) will be donating 10% of each *Inner Strength* treatment or product purchased at its Spa Boutique to a selection of charitable organizations supporting the fight against cancer. The 1 hour and 50 minute treatment is available for USD 270 on weekdays and USD 295 on weekends. As a special thank you, guests who book the *Inner Strength* treatment will receive a complimentary *Inner Strength* candle.

Heading south, [The Café & Bar](#) at [Mandarin Oriental, Atlanta](#) will offer a menu of pink beverages and will donate USD 1 of every pink beverage sold. The menu includes *Whispering Angel Rosé*, and two signature pink cocktails, the *Pretty in Pink* with vodka, pomegranate liqueur, lychee and simple syrup and the *Strawberry Splash* combining champagne, strawberries, lemon and cranberry juice.

[The Spa at Mandarin Oriental, Atlanta](#) will also introduce the *Body, Mind & Pink* treatment throughout October. Fifteen percent of each treatment will be donated to the American Cancer Society. The 1 hour and 20 minute treatment begins with Mandarin Oriental's signature Quintessence body scrub. A *Calm Mind* massage follows and focuses on the head, neck, shoulders and back to release blocked energy from acupressure points. The treatment ends with a scalp massage using ESPA Pink Hair & Scalp Mud. The treatment is priced at USD 195.

[The Spa at Mandarin Oriental, Las Vegas](#) also offers guests the *Calm Mind* treatment and 10% of the proceeds will be donated to Susan G. Komen, a non-profit organization dedicated to saving lives and ending breast cancer. The Spa will also provide complimentary Wellness Yoga Classes every Saturday in October.

In support of Breast Cancer Awareness Month, [The Spa at Mandarin Oriental, Miami](#) will launch the *Body, Mind and Spirit Wellbeing Trio*. This unique spa experience focuses on the internal, external and physical well-being of each guest. The trio includes an 80 minute *Inner Strength* (USD 250), an 80 minute ProSkin Brightening Facial (USD 220) and a 60 minute Private Yoga Session (USD 130). The cost for all three programs is USD 600. Guests may book each treatment separately. A donation of USD 20 per session and 15% of any pink-themed merchandise sold in the Spa Boutique will benefit Sandy B. Muller Breast Cancer Foundation.
