About VOYA New Treatments

Organic Herbal Glow Facial is designed to lift and firm muscles, while refining the skin and restoring its natural radiance. The 80-minute treatment encapsulates the benefits of organic herbs and all the goodness of the sea in mini facial poultices. These steaming poultices are gently massaged onto the face and neck to stimulate, lift and nourish the skin. This is followed by an eye massage, an organic seaweed leaf eye compass and VOYA Get Glowing clay mask. The treatment is complemented by a soothing scalp massage.

Organic Warm Spiced Mud Wrap offers refreshment and relaxation to tired skin with an organic seaweed body buff and seaweed infused mud wrap to renew and lighten the body. This 80-minute treatment begins with a scrub from head to toe with VOYA Time To Shine organic body buff, followed by a full body mineral and anti-oxidant rich mud wrap. During the wrap, VOYA certified organic facial products are applied alongside a pampering scalp massage. This treatment offers immediate and noticeable effects for the skin, including firming, toning and brightening.
