MANDARIN ORIENTAL, JAKARTA EARNS NUMBER ONE HOTEL IN JAKARTA BY TRIPADVISOR® AND THE BEST BUSINESS HOTEL IN ASIA AT ROBB REPORT SINGAPORE'S BEST OF THE BEST AWARDS 2015

Hong Kong, 11 February 2016 - [Mandarin Oriental, Jakarta](#) is honoured to be once again ranked as the number one hotel in Jakarta in 2016 and to be listed in the 'Top 25 Luxury Hotels – Indonesia' by TripAdvisor® in its *Travelers' Choice Awards* 2016. It is the only hotel in Jakarta to receive this award and is the only city hotel to be listed. The winners were chosen based on reviews collected in a single year from TripAdvisor® users worldwide. This is the hotel's fourth consecutive achievement having first received the award in 2013.

As the world's largest travel site, TripAdvisor® has long been considered as a dependable source of opinions and recommendations among travellers. *The Travelers' Choice Award* is held annually, honouring top rated hotels and resorts around the world providing remarkable service, quality and value.

The hotel also recently won the 'Best Business Hotel' title at the prestigious *Robb Report Singapore's* 'Best of the Best Awards 2015'. It competed against a number of hoteliers in the region to achieve this accolade. The awards – dedicated to the most popular and best performing luxury brands – were announced at a high profile gala dinner in Singapore on 28 January. The winners were selected based on a poll where the readers of *Robb Report Singapore* were asked to vote online for their preferred brands.

As a resource for ultra-affluent consumers, *Robb Report Singapore* provides its readers with insight into the rapidly expanding Asian luxury market. Influencers and opinion leaders look to the publication to discover the world's finest products, services and experiences.

"It is an incredible recognition," said Maximilian von Reden, General Manager of Mandarin Oriental, Jakarta. "We are very proud to be so recognized by one of the world's leading travel sites and one of the most prestigious high end magazines in the region. It is indeed a
