MANDARIN ORIENTAL APARTMENTS THE EPITOME OF LUXURY IN THE HEART OF THE CITY

A select few will have the luxury of calling the Mandarin Oriental Apartments ‘home’ by being privileged residents of its 51 spacious executive apartments at the city’s most prestigious address, the luxurious Mandarin Oriental, Kuala Lumpur. Occupying five floors of the magnificent 30-storey five-star hotel, a part of the extensive, world-renowned KLCC development project, the Mandarin Oriental Apartments is perfectly located at the heart of the city’s business, retail and entertainment district alongside the PETRONAS Twin Towers, Suria KLCC Shopping Centre, the PETRONAS Philharmonic Concert Hall and the KLCC Park.

General Manager, Frank Stoczek explained, “The concept of serviced apartments has a growing demand in Kuala Lumpur, and the mushrooming of such services in the city is an indication of its expected success. In fact, we were the first hotel in the city to provide the concept of serviced apartments incorporated within the hotel itself. The business of today is becoming more short-term and flexible, which has increased the need for serviced apartments. The Mandarin Oriental Apartments are here to satisfy this growing niche market”.

“Located within Kuala Lumpur City Centre (KLCC), guests are set to enjoy the synergistic benefits derived from this immense futuristic development. Essentially, KLCC is a self-contained residential, commercial, business and entertainment district in the heart of Kuala Lumpur. It covers 40 hectares and 1.67 million square metres of facilities that include a concert hall, cinemas, a shopping centre, restaurants and the 50-acre KLCC Park. Additionally, integrated transportation system to facilitate travel to this development complements the benefits provided to the guests of the Mandarin Oriental Apartments.”
