CONTEMPORARY AFTERNOON TEA AT THE LANDMARK MANDARIN ORIENTAL, HONG KONG

[MO Bar](#) at [The Landmark Mandarin Oriental, Hong Kong](#) is renowned for its contemporary and fashionable afternoon teas, offering guests a delightful respite during a busy day. MO Bar's afternoon teas change every month to take advantage of the best of the season's offerings, giving guests new and exciting taste experiences with every visit.

Featuring savoury bites, mini pastries, light-as-feather scones and a sweet temptation cupcake buffet with a choice of JING tea or coffee, the tea set has become the definitive Hong Kong afternoon treat.

What makes MO Bar's afternoon teas even more popular are the collaborations with some of the world's most prestigious brands whereby the creative minds from the kitchens of MO Bar create delicious dishes inspired by fashion collections or fragrances of luxury brands such as Stella McCartney, Marc Jacobs, Jimmy Choo, Guerlain and Jo Malone. Example of a recent collaboration is an extraordinarily joint-effort with Ladurée, the inventor of double-decker macarons for some spectacular afternoon tea show.

While collaborations such as these could easily end up being a simple co-branding exercise, MO Bar's chefs reinterpret the inspiration from different aspects of the collection and instill them into the sweet and savory dishes of the afternoon tea. This can be through shape, color, print, texture, ingredients and of course smell, if the product is a fragrance.

MO Bar has been joining hands with Jimmy Choo in April 2013, and presented the glamorous yet not extravagant afternoon tea. The sexy stiletto heels, glamorous designs, great sense of style and colour, and exceptional Italian craftsmanship serve as excellent inspiration for the culinary team, even though the team has undergone challenging times to create "sleek and sexy" savoury. Throughout the month, the most unique and chic branded afternoon tea was presented with temptations including Milk Chocolate High

The renowned afternoon tea is priced at HKD 248 from Mondays to Fridays, including a three-tier tea set, five kinds of pastries on the tray and a choice of tea or coffee; and HKD 288 on Saturdays and Sundays, topped with a dessert buffet.
