MANDARIN ORIENTAL HYDE PARK, LONDON – THE CITY’S MOST LUXURIOUS ROOMS AND SUITES

Mandarin Oriental Hyde Park, London is London’s most luxurious place to stay. All of the 198 rooms and suites have been individually furnished and decorated in true Victorian style with the ultimate of luxury in mind. Each room is lovingly prepared with Irish linen bed sheets, goose-down pillows, luxury designer bathroom products and a fresh orchid. Behind the exquisite materials and handcrafted finishes lies the latest technology. All rooms have outstanding facilities including two telephone lines with voicemail, wired and wireless high-speed internet access, Bang & Olufsen flat screen televisions and DVD players with surround sound, CD players, iHome docking stations, in-room safes and a personal bar with refrigerator.

Breathtaking views over Hyde Park are offered from most of the sumptuous suites, along with a level of refined luxury that only something of uncompromising quality can achieve. None of the hotel’s suites are alike. Following an extensive renovation, the prestigious Royal Suite opened in August 2010, and the Sovereign Suite boasts a stunning bedroom with four-poster bed which leads on to a private balcony where four people can dine in luxury overlooking Hyde Park. This suite also offers a unique bathroom with free-standing Victorian bath.

Recently renovated, with the leafy landscape of Hyde Park as its back garden, the new Royal Suite is London’s premier address. Remaining true to its elegant Victorian architectural heritage but introducing a fresh, contemporary style, the expanded suite of 242 square meters has a distinctly residential feel, and includes a master bedroom and bathroom, separate living room, dining room and kitchen and two adjoining additional bedrooms all of which evoke a feeling of staying in a chic city apartment. A sweeping balcony runs the length of the suite - dine alfresco with a private dinner for 12 and a team of waiters to tend to your every need, host a drinks party for 40, or simply sit back, relax and enjoy the glorious views across Hyde Park.
