Two specially developed treatments celebrating Macau's unique cultural mix, Macanese Dragon Experience and Spices of Portugal, are recommended for a two-hour spa journey. The former centres on a relaxing Chinese lymphatic body massage with Chinese meditation balls "Bao Ding", whilst the latter highlights an exotic Portuguese spice infusion for a soothing head massage, followed by a hot stone full body massage using essential oils of ginger, black pepper and rosemary.

For the 80-minute spa therapies, guests can enjoy Mandarin Oriental's signature Oriental Essence, which utilises Quintessence oil blended with ginger, mandarin and frankincense to relieve stress, particularly of the neck and shoulders. Other indulgence includes a Swedish body massage and specialised facials such as Age Repair and Time Reversal.

Both packages are valid until 29 December 2014. A six-day advance booking is required and blackout dates apply. Prices are subject to 10% service charge and 5% government tourism tax.
