## **SUITE COLLECTION OF MANDARIN ORIENTAL, SINGAPORE**

Step into pure luxury and comfort with the suite collection of Mandarin Oriental, Singapore. Designed with taste, style and the single idea of delighting guests from the moment they arrive, all 59 suites in Mandarin Oriental, Singapore feature floor-to-ceiling windows offering views of the picturesque Marina Bay, the spectacular ocean or the mesmerising city skyline.

The harmonious décor in the elegant suites takes its inspiration from the natural world with neutral and soothing colour palette. Natural elements can be seen in the polished wood panel behind the bed; a bedspread with lavishly embroidered patterns, and the textured ivory cloth on the walls. Oriental influences are apparent in the choice of decorative details that flow through premium carpets adorning the spacious floor lending a nod to Singapore's multi-cultural heritage. Coupled with dimmable cove lightings that illuminate the suite with an understated elegance, the overall effect is one of subtlety with a decidedly contemporary twist.

Sleek granite and dark timber bathrooms are spacious, with both a bathtub and a separate glass-enclosed shower. Attractive timbered blinds on the floor-to-ceiling glass panel that separates the bathroom from the living space can be left closed for privacy or raised to reveal the breathtaking view from the bedroom window.

Ranging from 62 to 242 square-metres, all suites are equipped with high-speed internet access and travellers will appreciate the ergonomically designed chairs by the large work-table with in-built power points. The advanced safe, with internal rechargeable sockets, was specifically designed to fit a laptop. All suites also feature sophisticated state-of-the-art in-room entertainment and surround sound systems with mobile streaming options and an array of local and international television channels. Guests may also keep up to date with the latest news by accessing a complimentary library of online newspapers and magazines at [MOLibrary.info](http://MOLibrary.info).
