### **THE SPA AT MANDARIN ORIENTAL, WASHINGTON D.C. ANNOUNCES NEW TREATMENTS FEATURING NATURA BISSÉ BEAUTY PRODUCTS**

*Award-winning spa becomes only location in Washington, DC to offer treatments with premier product line*

**Hong Kong, 16 August 2013** – The [Spa at Mandarin Oriental, Washington D.C.](#) is delighted to announce its partnership with Natura Bissé. As the exclusive provider of spa treatments featuring the renowned beauty line, the award-winning spa offers guests the following Natura Bissé -based treatments:

*Multisensorial Lifting Facial:* Anti-aging ingredients penetrate to the deepest layers, bringing firmness to help the skin regenerate itself, reinforce natural system of defense, and long-lasting hydration to improve elasticity and tone.

*La Alternativa Facial:* A non-invasive, wrinkle-relaxing solution. This treatment dramatically reduces expression lines and wrinkles, leaving the face smooth and rejuvenated. It is formulated with Natura Bissé's own octamioxyl ingredient, which inhibits facial contractions, and a Lipofiller complex to fill existing wrinkles and expression lines.

*Detoxifying Cure:* A cleansing protocol based on a cutting-edge thermo-active enzymatic detoxification: heat that opens and softens the pores while refreshing botanical elements close and purify them. Extractions are expertly performed while a nano-stimulating mask with a deliciously foamy texture efficiently releases its moisturizing, soothing and revitalizing effects on the skin. The final touch is a tinted hydrating veil that provides a radiant and luminous appearance.

*O2 Awakening:* Infuse every pore with a blast of pure oxygen. Big city goers, frequent flyers and smokers can benefit greatly from this treatment. A deep breathing massage further decongests body and mind.
