MANDARIN ORIENTAL SIGNATURE SPA THERAPIES

1 hour 50 minutes

Mandarin Oriental's signature spa therapies have been devised to address guests' increasing desire for simple, effective and authentic spa experiences.

Developed in consultation with specialists in Traditional Chinese Medicine (TCM) and master aromatherapists, each signature therapy consists of a relaxing, hands-on body massage ritual that combines the powerful effects of oriental meridian massage with the therapeutic benefits of custom-blended essential oils, created uniquely for Mandarin Oriental. Each treatment begins with a private therapist consultation in order to determine each individual's personal and current state of wellbeing. The treatment and oils are then tailored to each guest in order to leave the body, mind and spirit in perfect harmony. Guests are also provided with nutritional and exercise guidance, in order to extend the beneficial effects of the programme at home.

TIME RITUAL™

1 hour 50 minutes or 2 hour 50 minutes

Mandarin Oriental's bespoke "Time Rituals" encourage guests to book time rather than specific treatments, so that services can be tailor-made to meet individual needs. Each "Time Ritual" begins with a soothing foot ritual and is designed to restore a natural state of equilibrium.
