SAMADARA ILLUMINATING AGE-DEFYING FACIAL 1 hour 20 minutes £200

Using a sequence of timeless, anti-ageing Ayurvedic healing techniques designed to re-awaken your skin's youthful memory. With natural lifting and rejuvenating properties, this intensely hydrating and nourishing treatment increases firmness and elasticity, drastically diminishes the appearance of fine lines and restores a youthful glow. Warm rose quartz crystals massage your face, enabling the powerful Samadara™ Ultimate Age Defying Crème to penetrate deeply into the skin for maximum benefits.

THERMAL INFUSION MASK ADDITION 30 minutes £50

A warm infusing mask will maximise the penetration of essential vitamins and minerals into the deeper layers of the skin, ensuring a lasting effect.

MARINE ANTI CELLULITE WRAP 1 hour 20 minutes £180

An invigorating exfoliation combining finely ground pumice and volcanic clay starts your treatment, followed by a beautiful body wrap using a warm body mask, rich in carefully selected marine extracts, plant essences and algae, all working in perfect synergy. The mask is used to stimulate the lymphatic system and assist in the removal of accumulated toxins which are the common cause of cellulite.

REFINE AND COMFORT WRAP 1 hour 20 minutes £170

A complete rejuvenating body therapy, beginning with an exfoliation using Jojoba bead body polish, followed by the refining body mask, rich in French Pink Clay and herbal extracts, actively firms, tones and comforts the condition of the skin. Whilst blissfully enveloped, a cleanse and exfoliation to the face is performed leaving the skin refreshed and nourished. A scalp massage completes the feeling of total relaxation. A beneficial treatment for scar tissue and stretch marks, this is suitable during and after pregnancy.

BODY BALANCE SALT THERAPY 50 minutes £125

Bring the body back to balance with the application of warm soothing oils, Himalayan Salt and plant essence therapy exfoliation. Designed to relieve stress and fatigue while gently stimulating the body's circulation, this treatment is particularly recommended following periods of travel or strenuous exercise.
