THE ROSEBERRY LOUNGE RARE & LIMITED TEAS

Silver Needle £2.50 suppl.

Fuding Style, Fujian, China

A subtle, delicate tea made only with the silvery buds of the tea plant and naturally dried. Perfect tea for refreshing the palate, it is also the best option for keeping mind and body alerted and relaxed at the same time, given the maximum amount of Theanine (a powerful muscle relaxant) that is released during the infusion.

Anxi Tieguanyin £5.50 suppl.

Rolled style green Oolong, Fujian, China

Unmistakable orchid aroma, its characteristic floral and sweet taste enhances the thick texture that wraps the whole palate. Intensely energising, a real pick me up tea, appropriate for morning and early afternoon.

Eight Immortals Dan Cong £7.50 suppl.

Ba Xian, Phoenix Oolong, Guangdong, China

Picked at 1000 meters altitude and gently charcoal-roasted, the leaves express all their complexity in the water, releasing intense floral and fruit notes together with a pleasant and refreshing astringency.

A true special treat for a well deserved me-time!

Da Hong Pao £7.50 suppl.

Yan Cha, Wuyi Oolong, Fujian China

Characteristic rich, warm and wintery aroma, given by the intense caramelization of the leaves during the slow roasting process that defines the Yan Cha teas, coming from the very steep and rocky Wuyi Mountains. Perfect for helping the digestive system even in the evening time, given the little caffeine content

Tregothnan Estate £9.50 suppl.

Black tea, Cornwall, England

A Cornish produced tea (yes, with English rain and the occasional English sunlight!) that manages to be light, round but also malty in taste.

Perfect to be paired with desserts, cakes and pastries.

Xiaguan T8653 Iron Cha Bing 2013 £4.00 suppl.

Sheng Puer, Lincang, Yunnan, China

Young sheng (raw) puer leaves, tightly compressed in the traditional round-cake shape to maximize the ageing process with time. This tea is highly suggested for improving the energy and the awakeness of whole system, besides enjoying a light but floral aroma,with a characteristic light hint of tobacco.

Please note that The Rare and Limited teas are limited to 2 infusions per person.

Please also note that a supplement applies.
