*The Rosebery, named after Lord Rosebery, was once a stylish tea room in the early 1920s regularly frequented by the ambitious British Prime Minister and Liberal Statesman between 1889 and 1929. Some ninety years later, Spring 2014 sees The Rosebery make a welcome return to its roots as the perfect Knightsbridge backdrop for Afternoon Tea and Champagne cocktails. The interior design captures the room's Victorian origins, blended with contemporary touches, and makes full use of the expansive space and height of the room and its abundance of natural light. A beautiful fireplace is a central feature, together with specially commissioned one-of-a kind art pieces.*
