JUNE 2018 - BOURBON

COCKTAIL 16

AMERICAN HONEY

bourbon, lemon, honey, egg white
Our combination of a gold rush and a
whiskey sour. This drink is smooth, balanced
and a future classic.

BOULEVARDIER

bourbon, campari, sweet vermouth
The cousin of the Negroni, this cocktail
has little more sweetness compared to
its famous relative. The Boulevardier,
appeared in Harry's 1927 bar guide, Barflies
and Cocktails. It was the signature drink of
Erskine Gwynne.

MINT JULIP

bourbon, mint, sugar
The mint julep has largely been associated
with Kentucky, both its bourbon and its
derby since 1938, when it became the
official drink of Louisville's famed Churchill
Downs.
