

## New Year's Eve 2011 / 2012

### Saint Petersburg Tsar Night

Immerse yourself in a fascinating and glamorous world amid the delightful decadence of Saint Petersburg and experience a night filled with entertainment, elegant characters and exuberant music in an atmosphere reminiscent of the legendary time of the tsars. On this special evening, the hotel will be decorated in a "Saint Petersburg Tsar Night" style which will allow you to celebrate in the lavish way of the Tsars. A live band and a DJ will accompany you into the New Year.

For this special occasion, our Executive Chef Simon Larese has created an exclusive gourmet menu that will make the night even more perfect.

You can welcome the New Year with a midnight champagne reception on our roof terrace. Marvel at the spectacular view and enjoy the sparkling fireworks display high above the city of Munich.
