SPA PHILOSOPHY

Nestled in the vast nature-rich grounds of the spectacular Emirates Palace, lies The Spa at Mandarin Oriental. Hidden behind immense, ornately carved walls, this beautiful space evokes the mystique and magic of Morocco while paying homage to our oriental heritage with exquisite well-being experiences.

The Spa is a soothing sanctuary built on ancient Eastern healing traditions, indigenous Arabesque therapies, and contemporary spa and beauty practices. Devoted to completely delighting your senses and created to encourage balance and equilibrium, our collection of specially curated treatments is transformative for deeper levels of relaxation and natural healing.

Respect for the unique needs of each individual lies at the core of our spa experience. Our highly trained therapists are committed to excellence, taking pride in delivering highly personalised treatments and therapies.

Recognised for their pioneering expertise, our brand partners offer a handpicked range of products, which deliver the highest quality and optimum performance.

OUR BRANDS

MANDARIN ORIENTAL SIGNATURE

Created according to the Oriental principles of five elements, life force energy “chi” and the interplay of yin and yang, our core products contain naturally derived ingredients originating from the Orient. Easy to use and effective, they provide an ideal extension of the Mandarin Oriental Spa experience beyond the four walls of our spa.

SUBTLE ENERGIES

Subtle Energies offers result-based aromatherapy, natural skincare and wellness solutions founded on authentic Ayurveda principles. The range is created with the intent to address multiple skin and body concerns, whilst delivering high-performance results.

MAROCMAROC

MarocMaroc is inspired by the ancestral beauty routines of Moroccan women and characterised by elegant authenticity. Developed through the union of the hammam’s traditions and modern procedures, each product is inspired by a story, a ritual or an ingredient which evokes some element of Morocco’s rich heritage.

OTO CBD

Guided by nature and grounded in science, OTO harnesses the power of the most pure and potent CBD. Derived from one of the two main molecules that comes from the hemp plant, the CBD is combined with luxurious botanical extracts, actives and adaptogens to rebalance mind, body and skin.

MAISON D’ASA

Enter the mysterious gateways of Maison d’Asa to embark on a heart felt, ancestral journey through civilisations renowned for wellness of the body and mind. Discover the mythical charm, beauty and grace of the traditions of Morocco, Tunisian Jasmine, Asian flora and Arabian allurements.

111SKIN

At the heart of 111SKIN’s philosophy lies precision skincare created and mastered on Harley Street by Dr Yannis Alexandrides. The clinically-inspired treatments are exclusively designed to deliver a fusion of science and results.

MIRIAM QUEVEDO

Renowned for applying the same sophisticated, anti-aging formula used for skin treatments to haircare, Miriam Quevedo’s luxurious solutions harness powerful ingredients and technologies for a rejuvenated scalp and healthy, youthful and resilient locks.

TREATMENT SUITES

A paradise for the senses, our Moroccan-inspired spa instils peace and comfort; think dim lanterns, bubbling water features, colourful wall mosaic and deep enchanting scents of neroli and orange blossom. We invite you to escape the outside world and embark on a journey through the medina of Marrakech and its rich fragrances, spices and herbs. Every one of our treatment rooms tells its own unique story.

ESSENCE OF ABU DHABI

RISE OF THE DAWN

Experience a revitalizing detox journey for your body, beginning with a ceremonial detox hammam featuring a natural citrus fruit peel and neroli-infused rhassoul for the scalp, while refreshing mint invigorates the body. A cryo-mint rhassoul treatment enhances the benefits of cold therapy, helping to reduce puffiness, soothe acne and sunburn, and minimize swelling. Conclude your detox experience with a specialized massage incorporating cupping techniques and a purifying facial, designed to eliminate toxins and boost blood circulation.

TERRAIN TREASURES

Created in celebration of the region's vast desert and endless ocean, this treatment encourages you to embark on a unique path to mesmeric bliss. Beginning with a grounding ceremony featuring resonant singing bowls the treatment is both relaxing and rejuvenating. During the 'sand' journey, let your senses be transported to the dunes of the Rub Al Khali desert through sound, movement, textures and scents of oud with an invigorating massage on a warm bed of crushed quartz crystals.

SIGNATURE THERAPIES

TIME RITUALS™

Book a length of time and enjoy the most holistic experience possible, by allowing our therapists to utilise their individual talents to create and customise treatments to your unique individual needs.

ORIENTAL QI

A simple, effective and authentic spa experience. This relaxing, hands-on body massage ritual works on the energy of the meridians using the benefits of essential oils.

INTELLIGENT MOVEMENT

The intelligent movement treatment has been designed to improve your posture and mobility, and includes trigger point release work through the use of the Hypervolt. Deep muscle manipulation, stretching and elongation of the muscles are all designed to soften, release tension and aid mobility in the body.

DIGITAL WELLNESS ESCAPE

Concentrating on the head, eyes, neck, shoulders, hands and feet, this restorative treatment aims to ease stresses and strains resulting from the frequent use of digital devices.

MASSAGE

All of our massage treatments are customised for the individual. Your therapist will perform a thorough consultation to understand your needs, before designing a treatment drawing from a number of massage techniques to increase muscle relaxation, improve circulation and increase overall wellbeing.

ORIENTAL ESSENCE

Using custom-blended oriental oils and movements inspired by traditional oriental therapies, this tension-busting massage treats the whole body. Focuses on the traditional stress-holding areas of the back, neck and shoulders.

OTO CBD EXPERIENCE

A sensory, CBD infused massage that combines therapeutic oils with the use of sound therapy, crystal healing and bamboo accessories. Tailored to your needs, your therapist's trained movements will deliver a deep sense of emotional and physical relaxation.

BLISSFUL MARMA

Experience effective and immediate relaxation, relieving all stress related tension. Long, firm, flowing movements and therapeutic techniques at various levels of pressure are implemented; whilst marma therapy and chakra balance align vital energy centres. Enriching results-based blends deliver powerful active benefits, enhancing overall wellbeing.

HOT STONE THERAPY

Stone therapy is a Native American practice which has been used since ancient times as a soothing and healing treatment. A relaxing massage which uses heated stones to generate energy and create a sense of balance. It also helps to relieve deep seated muscle tension.

REST AND RESET

A full body experience targeting the parasympathetic nervous system to help reduce stress, encourage healthy digestion and release emotional tension. Following a guided meditation and yogic pranayamas to positively impact the vital energy within, potent active ingredients stimulate the pineal gland during the face and body massage to bring the body's rhythm back into balance. An ideal holistic sleep support resulting in emotional and hormonal balance, connecting you to your body of bliss.

All our massage treatments can be customised to be fully vegan-friendly.

SPECIALISATIONS

We recognize, acknowledge and leverage the unique skills and expertise of our therapists. In celebration of their craft, specialized treatments are performed by masters in their areas and an expression of creativity, affinity and passion. Subject to therapist availability.

TRADITIONAL THAI

Performed wearing loose style clothing, this traditional Thai massage is conducted on a futon. A combination of gentle rocking motions, rhythmic acupressure and assisted stretching helps to deeply relax and revitalise body and mind. Increases flexibility, relieves joint and muscle tension, and balances the body's energy system.

HIMALAYAN SINGING BOWLS

This treatment restores balance by advancing stagnant energy and reinstating the natural energy flow within the body's energetic field. Beginning with the gentle placement of singing bowls on and around the body, soft vibrations and sounds resonate from the bowls, transporting the body into a deep state of meditative relaxation.

WITH MUM IN MIND

A personalised body massage carefully designed for pregnant and nursing mothers to aid in relaxation, boost tonicity of the skin and relief physical stresses, from cramps and postural discomfort to back pain, during this very special time.

HAMMAM RITUALS

The Hammam is the crown jewel of Arabic wellbeing tradition. A millenary heritage that celebrates the art of bathing, self-care, and purification. In a restful cocoon made of cream marble, the body and the mind are enveloped by the regenerative power of ancestral hair care rituals, modelling ceremonies and body wrap treatments, to create the ultimate relaxation interlude.

MOROCCAN-INSPIRED

PALATIAL HAMMAM

The exotic fusion of rose, oud and gold integrated with a traditional hammam ritual creates a harmonious experience. This treatment begins with an ultra-purifying exfoliation using the detoxifying body scrub Miel d'Ambre followed by a soothing cleansing with orange-infused shower milk. At the end of the ritual, the Jardin Mille Roses Spray moisturises the skin, relieves tensions and regulates the body's energy.

LE HAMMAM MAROC

Inspired by authentic Teksal techniques practised in Moroccan hammams, these ritual blends traditional techniques, both vigorous and gentle, with a unique approach resulting in a remarkable experience leaving the body feeling refreshed and dynamic.
