THIS RAMADAN

The Spa at Mandarin Oriental, Doha offers a selection of treatments designed for relaxation and renewal.

Deluxe HydraFacial & Massage

A comprehensive facial that starts with a lymphatic drainage massage to decrease puffiness. It is then followed by a cleansing routine including a deep exfoliation and extraction of imperfections. The finishing mask is applied to enhance skin definition.

1 hour 30 minutes | QAR 1,000

Full Face Fitness Facial & Massage

Inspired by the Kobido technique from Japan, this carefully full-face workout is adapted and unique to each individual and their face shape. Deep facial massage techniques include draining, kneading and lifting movements to stimulate collagen production, accelerate microcirculation and lymphatic drainage. This treatment with natural nourishing date seed oil leaves the face redefined and smoothed.

1 hour 30 minutes | QAR 850

Both treatments include a complimentary 30-minute targeted massage, focusing on the back, neck, shoulders, and hands, for a deeply relaxing experience.

Opening hours | 12pm to 10pm
