Facial Reflex Therapy

Facial Reflex Therapy Sorensensistey™ is a comprehensive and an effective Reflexology which focuses on rehabilitation & healing purposes. It is recognised as a complementary therapy method. It helps to enhance one's own natural healing mechanisms and helps to improve "dis-ease" conditions including emotional unbalance. Many clients find this therapy as a "Whole Body" relaxation including their minds.

Trauma Releasing Bipolar Reflex Therapy

Trauma Reflex therapy is a method that consists on stimulating manually different areas and points of micro-systems on the face, scalp, and feet to release trauma and emotions stored in the body's cell memory, in the limbic system and the amygdala. With Trauma-Bipolar Therapy, it is possible to reach a completely relaxed state and find inner peace.

Japanese Cosmo Face Lifting

A natural face rejuvenation and face lift method created based on basic Facial Reflex Therapy methodology. It is considered as a dynamic & up-lifting face exercise applied by a qualified therapist, yet, many clients experience release of emotional stagnation.

All guests will start with Face Reflexology, each session will be customised.

First session (70 minutes) starts from: Weekday at HKD2,200, Weekend at HKD2,420

Second session (60 minutes) starts from: Weekday at HKD2,000, Weekend at HKD2,200
