Mid-Autumn Festival is now upon us. It is celebrated on the night when the moon is at its fullest and brightest, on the 15th day of the eighth month in the lunar calendar. In Chinese culture, roundness symbolises completeness and harmony, and mooncakes are one of the hallmark traditions of this festival. A profound cultural tradition that represents togetherness and reunion.

A range of traditional mooncakes and specialty flavours such as chocolate lava and red bean paste with dried tangerine peel will be available to make the occasion more memorable.
