

# SENSING *The* MULTIVERSE

## *Welcome to Vida Rica Bar*

We invite you to delve into a journey as we sense the multiverse,  
where the familiar becomes unfamiliar and the unfamiliar becomes familiar.

A curious and open mind is required when exploring the menu.  
Our charming mixologists will be sharing the inspiration behind the creations  
through storytelling while incorporating elements of the senses into each cocktail.

We hope you enjoy the drinks and please drink responsibly.

Cheers  
Vida Rica Bar Team

Dare to dream and dream to dare. In this universe, the bridge was the first infrastructure built in the area where we dreamt of what awaits on the other side. A recommended first drink of the evening, this Martini variation will be served on a palm, like how the bridge connects you to your dreams.

敢於夢想，敢於追夢。築橋即亦築夢，橋梁連結兩地，延伸我們無限的夢想空間。

我們推薦這款馬丁尼作為您今夜第一杯品飲的雞尾酒，張開的手就像築橋一般築起你我的夢。

In a parallel universe, the Cotai Strip is a conglomerate of ancient Chinese buildings where bamboo influences are reflected in our cocktail. Ingredients used are simple yet modernly treated where lacto fermentation is used, giving it a fancy boost reflecting our Cotai Strip in reality.

平行宇宙的金光大道屹立中國古代建築群，我們用竹子的元素呈現在雞尾酒中，採用簡單的原料再用現代化的處理手法，特別運用乳酸發酵技術，為酒體帶來奇妙的化學反應，正好展現出金光大道的紙醉金迷。
