

Exceptional Experiences

Discover Singapore through specially curated experiences where you can immerse yourself in the colourful local experiences.

We invite you to enjoy one of the three Exceptional Experiences, complimentary for stay dates from 8 September 2023 to 30 June 2024, with a minimum of two nights made by 31 March 2024. Book now and let us take you through the heart of Singapore via the guided garden and heritage trails.

Circuit Sidecar Adventure

Relive the action-packed Singapore Night Race on a vintage Vespa sidecar tour

Experience the exhilarating race action on a vintage Vespa sidecar through a route specially designed just for our guests. The 30-minute ride zips through the Marina Bay Street track and zooms past unique landmarks in Singapore including the F1 Pit Building that was first built to host the world's first night race. Take a photo stop at Anderson bridge and drive by the iconic Merlion to round up your journey.

Heritage River Cruise

Travel into the past of Singapore on cruise along Singapore River

Hop on a bumboat of yesteryear and cruise down memory lane along Clarke Quay, Boat Quay and Marina Bay. This 40-minute experience welcomes you to discover the stories of Singapore's bustling trading ports whilst basking in the sights and sounds of the city.

Garden City Cycling Adventure

Embark on a guided exploration of our garden city on two wheels

From the awe-inspiring Gardens by the Bay to the Marina Barrage Green Roof, soak in the beauty of a diverse range of flora and fauna as you embark on our guided cycling tour with our fleet of city and foldie bicycles. Children bicycles are also available for families. The 90-minute route is specially curated and accompanied every pedal of the way for a fully immersive experience.
