CHERRY GARDEN

New Mooncake Flavours Introduced by Mandarin Oriental, Singapore

Continuing its tradition of creating enticing new flavours, Mandarin Oriental, Singapore celebrates this year's Mid-Autumn Festival by introducing delectable pandan mooncakes with dried cherries and pistachios and exquisite snow skin mooncakes with custard paste, rose petals and chestnut.

In celebration of the festival, every mooncake has been prepared to symbolise the rich culture of Chinese traditions and most importantly, the opportunity to celebrate precious time together with family and loved ones.
