# Arts & Crafts

Let your creativity run free this summer with *Studio Coe's* pottery workshops. Makes for a perfect casual gathering or celebration activity for up to 6 people, these classes let you craft ceramics from scratch. Classes for kids, aged 6 and above, are also available.

## *Pottery Workshop*

Each participant will have their own wheel and be carefully taught through the process by an expert tutor. Whether you book for yourself or a group of friends, this is a wonderful social and spirited introduction to the joys of throwing. You will learn how to centre (secure the clay on the wheel) and throw (pulling up the walls of the clay into a cylinder). The activity can be an uplifting and inspiring experience.
