KHAO CHAE AFTERNOON TEA 1 APRIL - 31 MAY 2021

Traditionally, Khao Chae is the most popular Thai delight to cool down from the summer heat. This year Executive Pastry Chef Pablo Gicquel collaborates with Chef Pom Phatchara from our Terrace Rim Naam restaurant to present you our seasonal Khao Chae Afternoon Tea.

This year enjoy Chef Pom's Khao Chae. Learnt from her beloved Grandmother, Chef Pom dedicatedly selects fine ingredients all cooked and prepared according to her tutorage. In addition to Khao Chae's bites, a selection of Thai savouries and desserts are included such as crispy noodles with prawn, steamed bird-shaped fish dumpling, the prized black stone dessert and our not-to-be-missed mango scone.

Enjoy the Western culture of afternoon tea with our twist of Thai culture and flavour.
