

THE AUTHORS' LOUNGE

SUMMER AFTERNOON TEA

Executive Pastry Chef Pablo Gicquel and his team are delighted to present the summer afternoon tea set featuring refreshing citrus and summer fruits.

These include our “chaud froid” prawn with preserved lemon and bisque, lemon pie and lavender flower, and our favourite apple chausson. These sweet and savoury treats are presented in a stylishly charming ‘book’ stand, reflecting the literary heritage of The Authors’ Lounge.

Enjoy these seasonal delicacies daily from 12pm to 6pm as you appreciate the timeless elegance of The Authors’ Lounge.
