

Lord *Jim's*

WHITE ASPARAGUS MENU

'The King of Vegetables' or 'Edible Ivory', jumbo white asparagus is a truly unique European delicacy. The highly intensive labour involved in farming and harvesting this delicacy dictates the very limited availability despite being so highly prized.

At Lord Jim's we are proud to be working together with the best producers of white asparagus from France and Germany. This menu highlights the delicate flavour of this wonderful ingredient which is a true celebration of Spring.
