

CELEBRATE LOY KRATHONG AT MANDARIN ORIENTAL, BANGKOK FRIDAY 19 NOVEMBER 2021

Loy Krathong, celebrated each year on the full moon of the twelfth month of the lunar calendar, is a magical event marking the ancient tradition of honouring the Water Goddess. Throughout the country you will witness small lotus-shaped vessels, known as Krathong, floating on lakes, canals and rivers, as people set them to sail believing that it will ‘wash away’ their sins and bring them good luck in the coming year.

This year is one where we definitely wish to celebrate better times ahead as well as give thanks for all the good fortune of the past 12 months. At Mandarin Oriental, Bangkok we celebrate Loy Krathong in a truly memorable fashion with mouth-watering dishes, fun activities inspired by classic Thai temple fairs, award-winning entertainment, and a spectacular firework display over the Chao Phraya River. Guests of the Loy Krathong event will be given a Krathong to float down the River of Kings and this year will be even more special as guests are invited to create their own Krathong at our Krathong Making Workshop.

THB 4,500 net per person for the international buffet dinner at Riverside Terrace and an exclusive access to the Krathong making workshop and other fun activities.

Enhance your luxurious Loy Krathong celebration and book the “Experience Loy Krathong at the Legend” offer starting from THB 21,650++ for a one-night stay in our Deluxe Premier Room with breakfast and the Loy Krathong buffet dinner at Riverside Terrace for two people.
