Peruvian cuisine, for many years, was a hidden treasure that has finally been revealed, becoming one of the most recognized cuisines in the world today.

A recognition that stands out especially for the diversity of its flavors, the result of a long history of the embrace between its millennial culture and the different communities that came to the land.

Gaston Acurio

FOOD

COLD "PIQUEOS"

Selection of oysters:

- Natural, open with its own juice and lime 🍷 5/un.
