BODY MASSAGES

Oriental Essence

Using custom-blended Oriental oils and movements inspired by traditional Oriental therapies, this tension-busting massage treats the whole body. Focuses on the traditional stress-holding areas of the back, neck, and shoulders.

50 minutes / 1 hour 20 minutes

Eastern Therapeutic

The essence of this massage fuses Eastern and Western practices; focusing on restorative stretching and pressure point therapy. This massage is an ideal synthesis of deep tissue techniques (using the forearm and elbow) combined with the rhythmic stretches of Thai massage.

50 minutes / 1 hour 20 minutes

Sports Massage

Sports massage is a special form of massage and is usually applied before, during, and after athletic events. The aim of the massage is to prepare the athlete for the highest performance, to relieve fatigue, to reduce swelling and muscle tension, to increase flexibility, and to prevent injuries.

50 minutes

Thai Massage

Performed wearing loose Thai-style clothing, this traditional massage is conducted on a futon. A combination of gentle rocking motions, rhythmic acupressure, and assisted stretching serve to deeply relax and revitalize body and mind.

50 minutes / 1 hour 20 minutes

Ayurvedic Healing

Immerse yourself into the world of ancient Indian traditions to discover a true sense of peace. A full-body Abhyanga Massage will assist in the restoration of energy and the relief of fatigue, followed by an ancient Indian Head Massage to relieve tension through the energy centers of the head and neck where stress is stored.

1 hour 20 minutes

Shirodhara Indian Head Massage

This traditional Ayurvedic treatment has been used for thousands of years to provide both; healing therapy and deep relaxation. It will support the attainment of balance in life by arousing emotions, invigorating the soul, and giving you a sense of complete deep relaxation.

50 minutes / 1 hour 20 minutes

Pregnant Massage

Pamper yourself with this application prepared for expectant mothers who experience changes at any moment. You can nourish your skin and have this care done by choosing from the oils that can be used safely during pregnancy. This practice uses traditional aromatherapy to relieve tension in the upper back and shoulders.

50 minutes / 1 hour 20 minutes

Relaxing Leg Massage

Relaxing leg massage is a massage aimed at reducing tension and pain in the leg muscles, especially targeting the needs of our guests who are intensely standing and have an active sports life.

50 minutes
