*"Boston Strong is more than a cliché or motto, it's a pulse, a living, breathing, heart beating effort which represents far more than anyone truly knows. It captures the pride, hard-working and loyal dedication of a great city with fantastic people and rich history."*  
- Rachel Lalli

A panoramic view of a city skyline at sunset. The sky is filled with soft, golden light and scattered clouds. In the foreground, a body of water reflects the sun, with several sailboats on the water. A large, modern glass skyscraper stands prominently on the left, reflecting the sky. To its right, a cluster of buildings, including a tall, dark skyscraper with a spire, forms the city's skyline. The overall scene conveys a sense of sophisticated urban life and natural beauty.
