CONCIERGE PICKS

If I had 24-hours in Boston, I would start the day with a visit to the Isabella Stewart Gardner Museum, followed by a stroll through historic Beacon Hill, where I would have to stop at my favorite gift shop, Good.

An afternoon sail on Tupelo Honey, a 31 foot traditional gaff rigged Friendship sloop, is the perfect way to watch the summer sunset, ending the evening with freshly shucked oysters and a cocktail at Select Oyster Bar.

LIKE A LOCAL

Historic Newbury Street has been dubbed the Rodeo Drive of the East Coast, but as well as designer fashion houses, you will find independent boutiques on the picturesque streets of the Back Bay area.

Enter a super chic world of exquisite designer fashion at Serenella, voted one of the “top 50 boutiques in the USA” by Elle magazine.

Located on Clearway Street, behind a hidden door, is a hip “convenience store” called Bodega, which offers exclusive collections and limited-edition items.

The all-American Boston-based brand Ball and Buck is for “the sporting gentleman” and features menswear using the highest quality materials.
