## MANDARIN ORIENTAL ANNOUNCES ANOTHER LUXURY HOTEL IN BEIJING

**Hong Kong, 29 June 2015** – [Mandarin Oriental Hotel Group](#) has announced that it will manage another luxury property in the heart of Beijing, scheduled to open in 2017, in the Wangfujing district of the capital city. Mandarin Oriental Wangfujing, Beijing will be located in the new premier mixed use centre ‘WF CENTRAL’ being developed by Wangfu Central Real Estate Development Company Limited, an affiliated company of Hongkong Land.

Located on the top two floors of the prestigious WF CENTRAL, the hotel will command outstanding views of several famous landmarks in the capital. The hotel is designed by world renowned architects Kohn Pedersen Fox, and will feature garden terraces intended to capture the intimacy of a grand courtyard residence, ideal for guests to socialize, entertain and relax in.

All 74 luxurious guestrooms and suites will be spacious and elegantly styled, and many will have excellent views of the Forbidden City. Mandarin Oriental’s renowned customer-centric in-room entertainment systems will be a prominent feature.

Featuring two restaurants and a bar designed to become a destination in itself, Mandarin Oriental Wangfujing, Beijing will offer some of the finest cuisine in the city. Both restaurants will have access to a rooftop garden terrace providing unparalleled views of the city’s famous sites, while the bar will be connected to a private courtyard.

Other facilities will include an all-encompassing *Spa at Mandarin Oriental* providing holistic rejuvenation and relaxation in a serene, meditative setting. Additional wellness facilities include an indoor swimming pool and well-equipped fitness centre.

WF CENTRAL is located on Wangfujing Street, an area that is well recognised as the prime commercial and retail destination in the city. The centre will showcase prestigious international retail and dining, as well as the 73 room luxury Mandarin Oriental hotel. The hotel is within easy reach of Beijing’s major tourist attractions, with both the Forbidden City and Tiananmen Square within walking distance.
