## ROOMS & SUITES

The Excelsior is the largest hotel on the Hong Kong Island with 869 rooms and suites. Each room offers a “handy” smartphone with unlimited Internet access, local calls and international calls to selected countries and pre-installed popular Apps. Guest can relax in the space of comfort and tranquillity after a busy day in Hong Kong.

The Executive Floors of the hotel with rooms enjoying breathtaking views of Victoria Harbour and the city. Guests also have exclusive use of the Executive Lounge on the 31st floor – a warmly decorated sitting room with a reception area for express check in and out, complimentary breakfast, mid-day snacks, evening cocktails, tea and coffee service.

The hotel’s 22 suites range from 591 square feet (55 square metres) to 1,379 square feet (128 square metres) in size, offering space and comfort with discreetly charming sitting rooms to greet visitors.

The Excelsior Suite, located on the 20th floor occupying 1,379 square feet (128 square metres) is a perfect residence for discerning guests seeking for a comfortable, convenient and tasteful home away from home. The spacious living area is complemented by spectacular views over Victoria Harbour and the Kowloon Peninsula with a separate dining area. Guests will find sanctuary in the comfort and large dimensions of the well-appointed, comfortable bedroom. The marble bathroom of the master bedroom is complete with elegant yet simple finishes, presenting twin basins, a washlet, as well as a Kaldewei soaking bathtub. A separate walk-in shower is equipped with an anti-fog mirror and a rainforest showerhead for total relaxation.

The hotel has nineteen non-smoking floors and, on the sixth floor, there are two specially designed rooms for the disabled equipped with customised facilities and arrangements. In addition to standard room options, long staying guests can choose from four apartment suites.
